

# Spring Home Maintenance Guide

## CLEAN YOUR CHIMNEY

With winter weather past us, it's time to have your chimney cleaned! Schedule a chimney sweep, and make sure everything is functioning properly.

## CHECK YOUR YARD

Does your yard need a little pick-me-up? Fertilize, re-seed and cut your grass to give your yard a little revamp!

## GET YOUR POOL READY FOR SUMMER FUN

As the weather gets warmer, perform any pool cleaning and maintenance.

## POWER WASH EXTERIORS

Now is a good time to clean-up your exteriors! Brighten up and clean off winter messes by power washing!

## GET YOUR GRILL READY

Time to get the grill going! Check grill hoses and clean your grill to prevent grease fires.

## CURB APPEAL

Spring is a time to say "goodbye" to the old and welcome the new! Touch up exterior paints to brighten up your curb appeal, as needed.

## CLEAN UP YOUR YARD

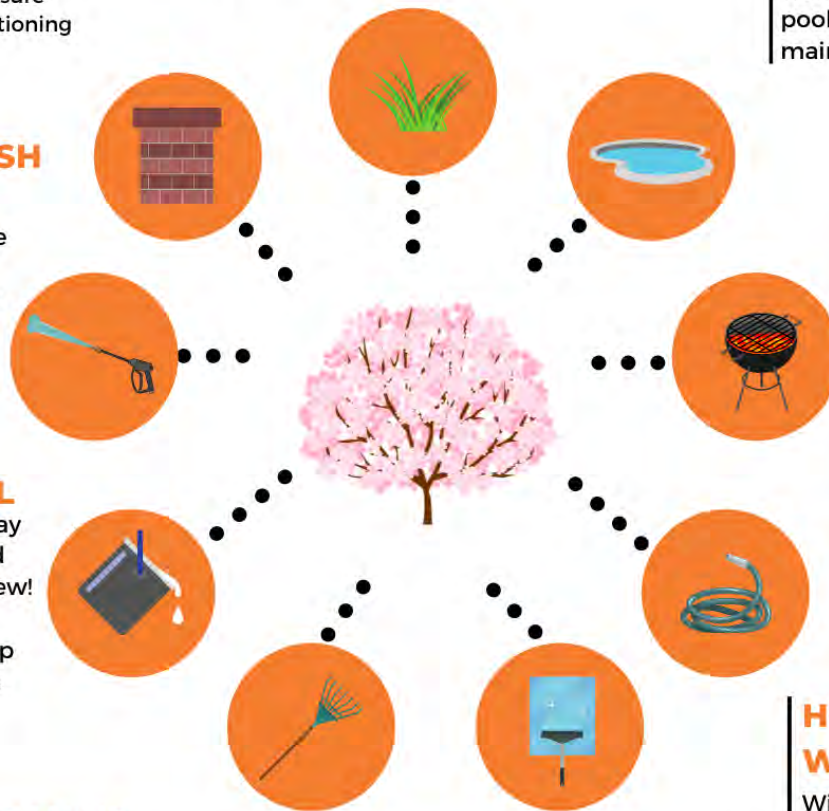

Is there leaf debris by your house? Clear your lawn of leaves, sticks, and branches. This can help with ants and other pesky spring problems!

## MAKE THAT GLASS SHINE

Clean windows and sliding doors, both the glass and tracks!

## HOOK UP WATER SOURCES

With freezing weather behind us, attach hoses and turn on exterior water sources.
